

QUALITY POLICY

Eurobit Pvt Ltd is committed to running an efficient organization based on well implemented and understood processes and in meeting and exceeding customer needs and expectations.

Eurobit intends on meeting its commitment through:

- ✚ The implementation & maintaining of Quality Management System based on ISO 9001:2015 and governing all Eurobit's activities and services.
- ✚ The establishment of objectives and strategies that are measurable, monitored and evaluated for effectiveness.
- ✚ Provision of open and honest communication with all its stakeholders and other interested parties.
- ✚ Information, instruction, and training necessary in meeting organizational objectives and customer needs.
- ✚ Engaging in activities to identify and address opportunities for improvement and promote continual improvement for the organization.
- ✚ Ensuring all legislative and other organizational compliance requirements are met.
- ✚ Ensuring the health & safety of employees and interested parties and reducing the impact on the environment associated with its business activities.

Eurobit intends on meeting its commitment by ensuring its processes are developed, maintained, and continually improved within a risk management framework designed to protect process, organizational and customer outcome requirements.

This policy shall be reviewed periodically to ensure that it remains relevant and appropriate to the Company.
